*The Governor of the Commonwealth of Massachusetts is authorized under state law (Chapter 639) to declare a Gubernatorial State of Emergency upon the occurrence of a natural or man-made disaster. The law, along with the state constitution, gives the Governor broad authorities to implement emergency measures to ensure the safety and health of the residents of the Commonwealth, take appropriate steps to mobilize state assets, and conduct other emergency business for the protection of the Commonwealth. A Gubernatorial State of Emergency (SOE) is initiated when it becomes necessary for the Governor to assume command (direction and control) for the efficient utilization of the total resources of the Commonwealth, in order to mitigate the effects on people and property of a large-scale threat, emergency or disaster. **Please return petition to Women's Fightback Network, 284 Amory St., Jamaica Plain, MA 02130, 617-522-6626/www.iacboston.org/wfn** Sponsors: WFN, International Action Center, FIST Fight Imperialism-Stand Together
