

End Poverty, Racism, Sexism & War

"It is disgraceful that a Congress that can vote upwards of \$35 billion a year for a senseless immoral war in Vietnam cannot vote a weak \$2 billion dollars to carry on our all too feeble efforts to bind up the wound of our nation's 35 million poor. This is nothing short of a Congress engaging in political guerilla warfare against the defenseless poor of our nation..."

--Dr. Martin Luther King Jr., November, 1967
